The 2008 GFOASC Spring Conference was attended by over 350 government finance professionals from across the State of South Carolina.

The day began with an interesting presentation about identity theft by Bobby Kirby from the US Secret Service. This was followed by Frank Fusco's discussion on challenging times.

The day continued with many interesting and informative concurrent sessions dealing with project management, budgeting and public

financing. We had an entertaining presentation on the state ethics act by Cathy Hazelwood.

We concluded with our business meeting and door prizes.

Thank you to the committee and especially to all of you who attended. I would also like to thank the board members who stepped in to help pull this conference together when we lost our administrator.

The conference was a wonderful opportunity to network and learn from our peers!

FROM YOUR PRESIDENT ~ VIOLA R. FAUST

The year is half way over. The next half will bring about many changes as we move forward without the administrative contract that has served us for several years. The issues with the contractors have been resolved. A special thanks to Paul Jarvis, chair of the Presidents Council for his assistance in the resolution process. We thank you for your patience and understanding during this period of transition. We are working hard to ensure that the membership receive the very best service possible.

We are exploring many ways to use Memberclicks to serve you. For instance, this year's Fall Conference registration process will be handled online through Memberclicks.

You should have received an e-mail announcing the opening of the registration for the fall conference. Your User ID and password was included in the e-mail as well as the link to the registration form. When you register you will receive an invoice by e-mail that will be used to process payment. Please let us know if you did not receive your registration information as you can only register for the conference online.

An exciting feature of Memberclicks is that it will allow us to have the most current information on you as it will update your profile when you register. You also have the ability to update your information on Memberclicks at any time. Just go to your profile and you can make changes as necessary.

If you forget your user ID or password, you can enter your e-mail address on the login page and that information will be sent to you. I believe these new and innovative initiatives will add value to your membership.

These are just some of the processes we are designing to better serve you. Future features include providing your annual membership renewal notices online and the use of Paypal via the website.

However, we are interested in hearing your ideas on how to make your association stronger. Please use our contact information on our new website at www.gfoasc.org to provide us feedback.

Enjoy the rest of your summer and I look forward to seeing you at the Fall Conference on October 12 -15, 2008.

Sincerely,

Viola Robinson Faust, CPM
President, GFOASC

2008 Fall Conference Chair- President Elect ~ Scott Ludlam

Please join us on October 12th, 2008 for the GFOASC Fall Conference in Myrtle Beach, SC. Our keynote speaker will be Mr. Converse A. Chellis, III, our State Treasurer. We also have a wide variety of session speakers to interest finance professionals from state and county governments to higher education. We have some special guests too: Charles Cox,

Past-President, National GFOA; Patricia Leckey, GFOA NC, and Kelly Becastro, GFOA GA.

Don't miss this opportunity to earn valuable CPE's, network with professionals and enjoy all that Myrtle Beach has to offer.

We will kick off the conference with a Sunday night reception in the convention center. Mike

Lockaby from *Partytime Entertainment* will be our DJ for the night.

Be sure to register online. Early bird rates are (\$200 member/ \$250 non member) before 09/12. The room rate this year is \$96.

If you have any questions, feel free to email us using the link on the website or call me at (803) 734-8699.

Certification Committee Update

Billy R. Martin, CGFO

Certification Committee Chair

The brochure for the 2008-2009 certification core courses is now available. The brochure and the November 2008 exam dates will soon be posted on the website. Starting with the November 2008 exams, there will be five exams instead of three. The committee is currently working with USC on the final guidelines and procedures for these exams.

The Certification Committee met in July to audit a random sample of the 2007 CPE reports. These reports were verified for accuracy along with the supporting documentation. Remember to send your supporting documentation when you submit your annual CPE report.

Annual CPE Reports and CPE class reports should be completed so that the committee can identify what classes you attended and how many hours you earned. Reports will be returned if hours earned and CPE classes taken are not identified. Remember to always maintain your copy of these reports with documentation.

At our July meeting we approved the 2008 CGFO Applications for Certification for individuals who have completed their requirements. These applicants completed their requirements after passing the exams in November 2007 or May 2008. The certificates for these individuals will be awarded at the GFOASC Fall Conference Banquet on October 14, 2008.

Please continue to visit the Certification/CPE link for the most current information about the certification program. Please email me at bmartin@lex-co.com if you have any questions or concerns about the Certification Program.
